

CITY of GLENWOOD SPRINGS POLICE DEPARTMENT

The City of Glenwood Springs is located at the juncture of the Colorado and Roaring Fork rivers in the heart of the Colorado Rockies. Glenwood Springs is a busy town of 8,000 people that serves as the business center of the rapidly growing Garfield County area. With daily work force and tourist populations, the Police Department services a population of approximately 12,000 to 15,000 people, with that number increasing during the busy summer months.

The Department is aggressive in its pursuit of training and programs, offering Officers participation in School Resource Officer, K-9, Drug Recognition Expert, a multi-jurisdictional drug enforcement program, and a multi-jurisdictional SWAT program, as well as encouraging Officers to achieve Instructor status in law enforcement-related fields.

The Police Department is currently approved for staffing with 27 sworn personnel and 7 civilian employees. The sworn personnel are primarily patrol-oriented, with a strong Detectives Unit supporting criminal investigations. Two Officers are currently assigned as School Resource Officers, with one additional Officer assigned to the Two Rivers Drug Enforcement Team. Patrol personnel are expected to handle a wide variety of call types, and are trained and mentored to become well-rounded Officers with the ability to provide comprehensive service to our community and visitors.

The Department currently allows for hiring of persons with no experience or training, and the accepted applicant will be placed into a Trainee program which can include sponsoring them through the Colorado Law Enforcement Training Academy at nearby Colorado Mountain College. Once hired as a Police Officer, new recruits enter a structured Field Training Program in which they learn and practice the skills necessary to successfully perform the duties of a GSPD Officer. Our focus is community service through quality and skilled personnel who want to make a difference.

Pay ranges from \$35,778 for the Police Academy Trainee with no experience, to salaries of **\$43,593** to **\$67,365** for the Patrol Officer I, II, and III classifications. These wages do not include additional pay available for multiple overtime and training opportunities, as well as court time. The City also provides its employees a competitive benefits program, with an excellent retirement program, insurance options, paid sick and leave time, and a longevity bonus.

The City and the Police Department are equal opportunity employers and do not discriminate against any person in recruitment, examination, appointment, training, promotion, retention or any other personnel action, because of political or religious opinions or affiliations or because of race, color, national origin, sex, age, disability or other factors.
