**Local Business Preference:**

(a) Legislative intent. It is the intention of the City Council whenever possible to use, without significant additional cost to the taxpayers or ratepayers, local businesses and/or subcontractors for construction services or procurement of goods and supplies (excluding sole source procurement [010.050.110], emergency procurements [010.050.120], small purchase procurement [010.050.130], used supplies procurement [010.050.140] or professional service procurement [010.050.150] and any procurement made with external funding source requirements that preclude application of local preference) in those instances when awarding contracts in the amount of twenty-five thousand dollars (\$25,000.00) or more, pursuant to competitive procurement (010.050.090), with City funds. The City Council intends to give local businesses an advantage in the bidding process so that monies received from such contracts will be spent by the employees of local businesses in the local economy. Local business preference may be used as one (1) factor in determining the award of a bid over twenty-five thousand dollars (\$25,000.00). This local preference will only be available to responsible and responsive bidders and/or subcontractors that meet all applicable bid evaluation criteria.

(b) Definition of local business.

(1) When applied to construction contracts, *Local Business* shall mean a business and/or a subcontractor individually applying for Local Business designation which meets the criteria in either Subsections a. and c. or Subsections b. and c. as listed below:

a. The business headquarters must be located and primarily doing business within a forty-five (45) mile radius of the intersection of 8th Street and Grand Avenue in Glenwood Springs. In the event the business is incorporated or otherwise registered, it must be incorporated or otherwise registered in Colorado.

b. At least seventy-five percent (75%) of the business work force, at the time of the application, must reside within a forty-five (45) mile radius of the intersection of 8th Street and Grand Avenue in Glenwood Springs.

c. The business shall have at least seventy-five percent (75%) of business vehicles registered at the time of the application, with the government agency having jurisdiction over areas within a forty-five (45) mile radius of the intersection of 8th Street and Grand Avenue in Glenwood Springs.

(2) When applied to procurement of goods, supplies, construction equipment and other vehicles, *Local Business* shall mean a business that is located and primarily doing business in the corporate limits of the City. In the event the business is incorporated or otherwise registered, it must be incorporated or otherwise registered in Colorado.

(c) Local Business Designation. Prior to submitting a bid, any business and/or subcontractor wishing to obtain the Local Business Designation shall apply for such designation by submitting sufficient written documentation to the City Manager which supports a request for such designation. The owner of the business and/or subcontractor seeking Local Business Designation shall submit a signed, sworn affidavit affirming the truthfulness of all information supplied to the City with the application for Local Business Designation. To receive Local Business Designation of any subcontractor amounts included in its bid, a business must certify the accuracy of the contents of the subcontractor's Local Business Designation application submitted pursuant to this Section. The City Manager may grant a Local Business Designation to a business and/or subcontractor if such business and/or subcontractor has satisfied the criteria set forth in Subsection (b). In the event the City Manager does not grant a Local Business Designation upon request, such business and/or subcontractor may appeal the decision by providing a written explanation of the basis of the appeal to the City Council within five (5) business days of receiving the City Manager's decision. A decision by a majority of the City Council present shall be made at the time of the award of the contract for which the appeal is made.

(d) Local Business preference. In the event that a determination is made that a submitted bid is from a responsible and responsive bidder and that the business submitting the bid and/or a subcontractor included in the bid has a Local Business Designation, the bid comparison and award shall be made after taking any applicable local preference into consideration.

All portions of the submitted bid attributable to a Local Business shall be aggregated for application of the local preference as follows: if the aggregate Local Business portion of the submitted bid contract amount is equal to or less than Two Hundred Thousand Dollars (\$200,000.00), the Local Business preference will be five percent (5%); if the aggregate Local Business portion of the submitted bid contract amount is more than Two Hundred Thousand Dollars (\$200,000.00), the Local Business preference will be Ten Thousand Dollars (\$10,000.00) plus two and one-half percent (2.5%) of the aggregate Local Business portion in excess of Two Hundred Thousand Dollars (\$200,000.00); no Local Business preference, in any event, shall exceed One Hundred Thirty-Five Thousand Dollars (\$135,000.00). Determination of the lowest responsible and responsive bidder shall be made after any appropriate Local Business preference amount is applied to the submitted full bid contract amount.

(e) Notice. Every invitation for bid shall contain notification of this Section setting forth this Local Business preference and shall require a bidder to submit, at a time to be specified, the manner in which, if at all, such business and/or subcontractor may qualify for Local Business Designation under this Local Business preference policy.

(f) Timing. No Local Business Designation shall be allowed unless such designation has been given in writing prior to the award of bid.

(g) Challenge. In the event any person wishes to challenge the Local Business Designation of a business and/or subcontractor which has received such designation, such challenge shall be submitted in writing to the City Manager. The written documentation supporting such challenge must set forth, with specificity, the reasons supporting the allegation that the business and/or subcontractor should not continue to receive the Local Business Designation. The City Manager, at his/her discretion, shall investigate such allegations and may seek the imposition of the remedies set forth in this Section.

(h) Civil penalty. In the event a business and/or subcontractor has been given the Local Business Designation and the City Manager determines that such designation is erroneous, such business shall be penalized in the same monetary amount as the Local Business preference advantage which was applied to the bid from such business when it was awarded the contract. In addition, such business and subcontractor shall be subject to debarment for a period of three (3) years in accordance with the provisions of Section 010.050.040.

(i) False affidavit. It shall be unlawful for any person to make a false statement in the affidavit or to provide false information supporting application for the Local Business Designation.

(j) Violations. In addition to the other remedies provided in Subsection (h) (Civil Penalty), any person violating Subsection (i) (False Affidavit) shall be deemed guilty, per occurrence, of a misdemeanor and, upon conviction of the same, shall be punished, per occurrence, in accordance with the provisions of Section 010.020.080 in the Municipal Court. Violations of any provision of Section 010.050.080 shall be deemed to be a strict liability offense as defined in Subsection 120.010.010. Culpable mental state is not required with respect to any material element of a violation of this Subsection.

Any Contractor, Subcontractor or supplier wishing to obtain local business designation shall apply for such designation by submitting sufficient written documentation supporting such request to the City Manager no later than 5:00 p.m. (local standard time), February 20, 2012.
