PRESS RELEASE

April 22, 2019

FMLD Awards \$200,000 grant to Cedar Crest Improvement Project

GLENWOOD SPRINGS, CO – The City of Glenwood Springs will receive \$200,000 from Garfield County’s Federal Mineral Lease District’s (FMLD) spring 2019 grant cycle, according to an April 17 announcement by the FMLD. The money awarded from this grant will be used for the Cedar Crest Roadway, Drainage and Water Line Repair Project in West Glenwood Springs.

The Public Works Department is planning for Cedar Crest Subdivision and surrounding neighborhood improvements for spring and/or summer 2020. Improvements will include new drainage systems, roadway repairs, and water system improvements within the Cedar Crest Subdivision, including Tanager Road, Cardinal Lane, Cedar Crest Drive, Ptarmigan Lane and Ptarmigan Drive.

This area is in particular need for repairs due to aging water lines, roadway surfaces and poor drainage.

“This investment by the Federal Mineral Lease District will help the City rebuild important infrastructure in West Glenwood,” Mayor Michael Gamba said. “We are excited to begin this project next year with the help of this grant money.”
